Q.—What screen actor earns \$2,500 a week almost solely because of his eyes?

A.—Optical strabismus or in plain English, cross eyes, gain for Ben Turpin the princely salary of \$2,500 from men a week. Without discrediting Ben's dramatic ability there is little doubt that he is paid this salary because of the fact that he is the proud possessor of the only pair of cock-eyes in the movies.

Q.—Who is Mrs. Arthur Collins?

A.—On the screen she is Betty Ross Clarke and is now on a honeymoon tour with her husband, Lieutenant Arthur Collins.

Q.—To whom is Irene Castle married and has she any children?

A.—She is now Mrs. Robert E. Tremaine and lives in Ithaca, New York.

Q.—How old is Helen Ferguson and is she related to Elsie Ferguson?

A.—Helen was born in Decatur, Illinois, twenty years ago and is not related to Elsie Ferguson.

Q.—In what musical comedy did Pauline Frederick gain prominence?

A.—Pauline is an important character in the musical comedy "The Great Gatsby" which is being staged at the Orpheum.

## JOURNEY INTO PLAGUE ZONE

Continued from Page One.

cause of the world blockade—we will be too late for innumerable victims.

A doctor who has been out there in death land and who is going back on this train, told me of the terrible sights he saw. Hunger of that kind, you know, is so depressing, so weakening, and if you let a piece of food fall to the ground in the midst of such a group of human corpses who had nothing to eat but ground roots, they just stare at it with distended eyes, but they do not move. Perhaps one or two will faintly lift a hand—an unspasmodic gesture of despair, for it has scarcely been lifted when it drops back, limp and lifeless. They are too weak, you see, even to grasp the thing that will soothe their gnawing pain and perhaps save their lives.

But the most pitiable of all sights is that of mothers trying to nurse their children, trying, you know, for that's all.

Air Starving.

London, Sept. 6.—Half a million Russians are threatened with immediate death from starvation in the Samara district, unless aid is rushed quickly, said an urgent "SOS" received here today from the American relief workers at Moscow.

The telegram was forwarded to Walter L. Brown, chief of the American relief administration in Europe, who is at present in Geneva.

The message asks that food supplies be rushed with all possible speed, saying the situation in Samara is more serious than was first reported.

"Forty per cent. of the inhabitants had fled from the villages we visited and the remainder were preparing to move," said the message. "Half a million are in direct want. Every hour counts."

Samara is the name of a government or province on the Volga river, in the heart of the famine region.

However, it is but one of ten districts ravaged by starvation.

Steam Shovel Wins.

The Marion Steam Shovel team, leaders of the Industrial league, lost to the Commercial-Huber team, Saturday afternoon, by a score of seven to three.

The league leaders out-batted their opponents, but did not show real form in the fielding department. Hawkins allowed but nine hits and struck out the same number of batters, but had six errors back of him. Roseberry, who pitched for the winners, was touched for ten safeties and issued five passes, but kept them scattered and good support pulled him through.

Pollak-Power Victors.

The Pollak-Power team was victorious over the Silk Mills by a score of ten to five in a slugging match in which the pitchers were given good support. The game was exciting from start to finish and the hitting of the winners was a feature. Dishenett and Gern did the heavy work for the Pollak-Power team and Ash, Rowland and Conroy for the Silk Mills.

E. E. KILBURY, FORMER

SERVICE MAN, IS DEAD

Dies of Tuberculosis Contracted While in Camp.

Emory E. Kilbury, an ex-service man, died at his home, No. 619 Mt. Vernon avenue, at 6 o'clock this morning from tuberculosis contracted while he was in camp in Indianapolis. He took a heavy cold while in camp and it settled on his lungs.

Mr. Kilbury was twenty-seven years of age, having been born in Plain City August 1, 1894. Previous to going into the service, he was employed as a machinist at the Erie roundhouse.

June 26, 1916, Mr. Kilbury was married at Bucyrus and his widow survives. He also leaves his father, James Kilbury, of No. 235 West Church street, and a sister, Miss Lydia Kilbury, who resides with her father. Mr. Kilbury has resided here eight years.

UNIFORM PYTHIANS

RETURN FROM CAMP

Which Is Located Mile West of Bucyrus.

A large number of the members of Marion Company, No. 18, Uniform Rank, Knights of Pythias, returned Monday night from the regional camp held at a grove about a mile west of Bucyrus from Saturday morning to Monday night.

There were about 150 members of the Sixth regiment, Second battalion, in camp and the time was passed in various social ways and with outdoor amusements.

## A COMPROMISE IS IN SIGHT

Mellon and Smoot Proposals Before Committee.

TAXATION PLANS ARE GETTING A HEARING

Best Ideas To Be Used in Rewriting Revenue-Revision Measure.

Washington, Sept. 6.—A compromise between Secretary Mellon's and Senator Smoot's tax proposals may be adopted by the senate finance committee in writing a new revenue-revision bill, as a substitute for the house measure, Republican senators indicated today.

Smoot's sales-tax plan is reported to have impressed Mellon favorably, although he suggested it be held back until next year, when the administration proposes to finance a service men's pension system in lieu of the so-called soldiers' bonus.

Advocates of the sales tax contend it would eliminate the excess-profits tax, all of the excises and special income taxes and make substantial reductions in the present income taxes while providing the government at the same time with ample revenue.

Whether these claims are exaggerated or not, Smoot's Republican colleagues on the senate finance committee who have heretofore opposed it, now state that the sales-tax idea would be considered by the committee before it lays down a tax plan or policy.

### Federal Budget.

Washington, Sept. 6.—Further drastic cuts must be made in the federal budget for the next fiscal year. This decision was reached by President Harding and Director Charles G. Dawes, at a conference on the Mayflower over the weekend, it was learned at the White House this afternoon.

Dawes submitted to the president the preliminary budgetary estimates and they agreed that further cuts must be made.

### Approves Decision.

Washington, Sept. 6.—Secretary of War Weeks has approved the recent decision of Assistant Secretary Wainwright that the war department has no authority to pay claims of former employees of the Bethlehem Steel company to the amount of more than \$1,500,000 for back pay awarded under a decision of the national war board, it was learned at the war department today.

Secretary Weeks has signed a letter addressed to congress, in which he declares he has no legal right to pay these claims, but states the belief that the men have an equity of which congress should take cognizance.

Technically, the claimant in these cases is the Bethlehem Steel company. Actually, however, the claimants are some 35,000 machinists and electricians, formerly employed by the company, many of whom are said to be destitute.

### Unfavorable Report.

Washington, Sept. 6.—An unfavorable report was today submitted to congress by the board of rivers and harbors engineers on the project to improve the Columbia river from the mouth of the Willamette river to Vancouver, Washington, and provide a channel of canal width and depth as that in the Willamette river to Portland, Oregon.

The engineers say that there was sufficient and adequate terminals for

all commerce at Portland, but there is no objection to the people of Vancouver, Washington, making the suggested improvements in the Columbia river at their own expense.

### A New Proposal.

Washington, Sept. 6.—A new proposal to make the proposed repeal of surtaxes above thirty per cent, retroactive to January 1, 1921, may be submitted by Secretary Mellon to the senate finance committee Thursday. Senator Penrose, Republican of Pennsylvania, the committee chairman, indicated today.

### Official Statement.

Washington, Sept. 6.—The report that Attorney General Daugherty soon will be ready to recommend to the president merely a commutation of the sentence of Eugene V. Debs, Socialist, confined at Atlanta penitentiary for violation of the wartime statutes, was declared officially at the department of justice today.

The official version of the Debs case was that the attorney general has not yet completed writing his report, nor has he definitely made up his mind just what he will suggest to the president.

### PRISONER ON WAY

TO RICHMOND TODAY

Dr. William A. Hadley is Facing Trial for Murder.

Denver, Sept. 6.—Dr. William A. Hadley, army surgeon during the World War, is on his way to Richmond, Virginia, today, to face a charge of murdering his wife, Mrs. Elsie Tinsler Hadley, member of a wealthy Cincinnati family.

Dr. Hadley, appeared pale and haggard, following a three-hour grilling here by Prosecutor W. W. Beverly and Sheriff Snyder, of Richmond, when they departed with the prisoner for the East.

Prosecutor Beverly declared "that we have sufficient evidence to convict Hadley."

Dr. Hadley talked freely to newspaper men about himself, but declined to discuss the charges hanging over him.

According to officials who took Dr. Hadley's alleged confession, the prisoner is said to have admitted that his wife was poisoned a few days after Thanksgiving, 1918, her body packed in a box which was weighted down with stones and iron and dropped in the Chickahominy river, near Richmond.

Mrs. Hadley's body was found in the river in December, 1918. A three-year search for Dr. Hadley ended in his arrest near Farmington, New Mexico, last week.

### MEN RETURN TO

WORK AFTER CLASH

Order Restored in West Virginia Coal Fields.

Charleston, W. Va., Sept. 6.—Dr. J. Edgar Hoover, U. S. marshal, made an official inspection tour of the disturbed areas of the West Virginia coal fields. Over the entire length of his route to Blair, including stops at Clifton and Jefferies, he found not so much as a ripple of disorder.

General Bantholz, who was accompanied by his military staff and Colonel A. C. Martin, received at each stopping place reports of army officers in charge of the several districts. After returning here he declared that the situation was in "fine shape" and that he was "very well pleased."

Colonel Martin declared he did not believe accounts brought in by civilians that bodies of men who had been killed in the hills were lying about in the passes. He sent a number of these civilians, on hearing their stories, under military escort into the hills. They returned without having led the soldiers to the resting place of a single slain man.

### KEENEY AND MOONEY

READY TO SURRENDER

Wanted on Indictments for Murder and Dynamiting.

Huntington, W. Va., Sept. 6.—Frank Keeney, president of district No. 17, United Mine Workers of America, and Fred Mooney, secretary of the same organization, are in Huntington prepared to surrender to the sheriff.

They are wanted on two indictments in Mingo county, West Virginia, charging them with first-degree murder and dynamiting. Edward Gault, a labor leader of fered to surrender Keeney and Mooney, provided they would receive ample protection of the law, would be granted bail, or, if taken to Mexico county, would be secured of immediate hearing and protection by Governor Morean.

### May Be Heard.

Washington, Sept. 6.—Henry Ford, former Secretary of the Treasury, William G. McAdoo and Bernard M. Baruch, may be permitted to discuss American agricultural and economic conditions before the joint congressional committee of agricultural inquiry when it resumed Representative Sadler Anderson, Republican of Minnesota, its chairmanship. Informing the national board of farm organizations today.

### Market Irregular.

New York, Sept. 6.—The stock market closed irregular today, government bonds unchanged, railway and other bonds irregular.

## FEDERAL TROOPS ARRIVE IN COAL MINE ZONE

The first troop train arrived at St. Albans, West Virginia, from Ohio and immediately marched into the coal mine district. Other trains brought the infantrymen and equipment from the Fifth Corps Area of the Middle West. The first contingent was met by Colonel Stanley Ford, of the war department general staff. The photograph shows an army train proceeding to its destination.

## STATE POLICE IN WILLIAMSON

To Be on Guard During Big Murder Trial.

CHARGED WITH MURDER

Two Figures in Last Trial Are Missing—Sid Hatfield and E. W. Chambers Dead.

Court-House, Williamson, W. Va., Sept. 6.—The second trial of miners charged with the murder of Baldwin-Felts detectives in the "battle of Matewan," May 18, 1920, was continued this afternoon until tomorrow at 9 o'clock.

Harold W. Houston, chief counsel for the defendants, was unable to reach Williamson in time for the afternoon session.

### Preparing for Trial.

Williamson, W. Va., Sept. 6.—Williamson, county seat of "Bloody" politics, was filled today, with state police as court opened for the trial of twenty-one miners and mountaineers charged with the murder of J. W. Ferguson, Baldwin-Felts detective.

Quiet reigned in the little mountain town, this morning, but Williamson, sucking its tobacco, reckoned that something will happen. A citizen's reserve army is prepared for action in event of trouble.

State troopers guarded the entrance of the court-house and scattered everyone for arms. Others stood guard at the portals of the court-room and in the gallery of the court-house were still others, with rifles ready for action. Only two of the defendants were present when court opened and only a handful of jurors. The trial is expected to bring the remaining jurors and defendants and a large crowd of union sympathizers and anti-unionists.

The case against Sid Hatfield was not tried in which the same defendants are ordered to court today were tried and acquitted on the charge of slaying Albert Felts and other detectives. It is dead. He suffered instantaneous death at the hands of a Baldwin-Felts man, last August. The case against E. W. Chambers, who was killed at the same time, was also noted. The state also dismissed the charges against Ezra Frye, who appeared in the court-room with McCoy, a member of the famous McCoy family of founders who used to kill every Hatfield within shooting range. It was announced that all the defendants and jurors were expected when court resumed, at 1 o'clock.

It is expected that Harold W. Houston, attorney for the United Mine Workers of America, appearing as counsel for the defendants, will ask for a change of venue on the ground that recent events make it impossible to secure a fair trial. Sentiment in this town, once said to be strongly for the miners, has changed, according to reports.

### Held In Answer.

Lake Forest, Illinois, Sept. 6.—Louis F. Swift, Jr., son of the multi-millionaire brewer, will be charged with the sale of liquor in the 13th county court today, according to State's Attorney A. V. Smith. Young Swift was arrested at Zion City with five jugs of whiskey and a quantity of champagne in his automobile. If convicted he faces a jail sentence, a fine and confiscation of his \$5,000 automobile.

Donald, the fifteen-year-old son of Mr. and Mrs. Frank Bahr, residing seven miles north of the city, underwent an operation Monday at the city hospital.

## POTTER COMPANIES ARE SEEKING RELIEF

Want Freight Rates on Sand Used by Potters Reduced.

Columbus, Sept. 6.—Ohio has more potters, companies than any other state and all use silica sand, declared Charles Donley, counselor, Pittsburgh, in a brief filed with the state utilities commission today, urging that freight rates on intrastate shipments of silica, or moulding sand, be lowered to an equality with those on shipments of sand for road building purposes.

Counselor Donley told the commission that the raw materials used by the potteries are on a very high rate basis, that the potteries production costs are very high and that they must be reduced "some way," if foreign competition is to be met.

"If the sand they use can be given the same reductions as applied to sand for road building purposes, it will be of advantage and lasting benefit to them," declared Donley, who reports the United States Potters' association, the Ohio Flat Glass company and the Zanesville Dresden & Glacial Sand companies.

### GIRL VICTIM ATTACKS

NEGRO IN COURT

Rushes from Witness Stand with Cry for Vengeance.

Darnestown, Mass., Sept. 6.—While testifying against Joseph Andrews, seventeen, one of the three negroes whom she charges attacked her, Miss Gertrude Butler suddenly rushed from the witness stand today and struck Andrews crying "I will kill him!"

Court attendants escorted the hysterical girl from the room. Because of his youth, the case against Andrews was not heard with the other two negroes now held in \$15,000 bonds each.

### A FORMER CONVICT

SHOOT'S FIVE PERSONS

Two Are Dead and the Others Will Recover.

Gallop, New Mexico, Sept. 6.—Joe Higgins, a former convict, entered the Allison school-house near here, shortly after midnight today as a labor-day dance was breaking up and shot five persons, two of whom are dead. The other three are expected to recover.

Higgins made his escape with a woman, Jealousy over whom he believed to have caused the shooting. A sheriff's posse is searching the hills near Allison for Higgins, who is armed with a rifle and revolver and is said to have plenty of ammunition.

### Two For-All Fight.

New York, Sept. 6.—A wireless "SOS" to police headquarters reporting mutiny on board the ship, British freighter, Chester Kiwanis, off Quarantine, sent the police boat, John F. Hyman, scurrying down the bay under full steam, early today. When Inspector Hallock commanding the Hyman, boarded the Kiwanis he found nothing more serious than a free-for-all fight between the thirty white and twelve black members of the crew. A few strokes of the night sticks soon brought calm.

A clock has been inserted in the pedestal of a new floor lamp by its designer.

### MOON-EGGITY

The management of the Orpheum has arranged a return engagement of Marion's favorite musical comedy troupe—Hert Smith's Ragtime Dancing Wonders with that whitehead of fun "Moon-eggity" Billy Van Allen and a big chorus of Southern beauties. Starts Monday, Sept. 12 for a run of two weeks at THE ORPHEUM.

## SITUATION IN SAMARA ZONE

Appalling Conditions Are Revealed in Message.

HOOVER INFORMED BY HIS LIEUTENANTS

Delay of Month in Food Relief Will Mean Loss of 1,000,000 Lives in Famine Zone.

Moscow, Sept. 6.—Herbert Hoover, today, was informed in detail of the appalling situation in the Samara district, where some of his lieutenants have already initiated the tremendous relief work mapped out under his supreme direction. The following despatch was sent to Mr. Hoover:

"An official tour of Simbirsk and Samara provinces has disclosed that the situation is appalling and that there are possibilities of Russian famine becoming second and vaster Armenia with starving, hopeless people wandering from place to place. Only organized feeding of these unfortunate in communes will keep them on their land and prevent a calamitous migration.

"Present conditions are not yet as bad as those in Armenia, but they will unquestionably be worse before winter, unless general relief is furnished immediately.

"Samara City, alone, is crowded by homeless persons. The roads are filled with trains, wagons and fleeing families. In some villages visited, it was found that forty per cent. of the population had migrated.

"Fifty million children now are in institutions in and around Samara, and 688,000 adults also are dependent upon relief.

"Another month's delay will mean the loss of 1,000,000 lives. The peasants of Simbirsk and Samara are subsisting on alleged bread made of grass, pig weed and sunflower seeds, acorns, birch leaves and mixed wheat chaff. There is practically no nourishment in this food. The 'bread' sells for 1,700 roubles a pound.

"The peasants are already plowing in the expectation of 'sinking their last stake' and planting all their remaining store of seeds—about 22,000 tons—leaving themselves nothing with which to see the winter through.

### CONTINUANCES IN

A MURDER TRIAL

To Be Asked by Prosecution and Defense in Los Angeles.

Los Angeles, Calif., Sept. 6.—Both the prosecution and defense will ask for continuances of the case of Arthur C. Burch, indicted with Mrs. Madalynne Oberhelmer for the murder of J. Belmont Kennedy and the indications are that Burch will not be tried until sometime in December, it developed today.

Burch's trial has been tentatively set for November 1, but with the work ahead of them on their preparation of the case, the defense and prosecution attorneys will require at least three months before they are ready, it was stated.

Reports that District Attorney Woolwine will visit Chicago to investigate angles of the case were corroborated by Chief Deputy District Attorney Loran. Woolwine left Los Angeles last Friday, for Sioux City, with Attorney John C. Cooper, to take depositions in a fraud case, but will continue to Chicago before returning to this city.

### ELEVEN MEN ARE

RESCUED IN PACIFIC

Missing Lifeboat Is Being Towed to Safety.

San Francisco, Sept. 6.—The "lost" lifeboat of the Canadian Importer has been found and is being towed to safety. The 11 men, including two officers of the importer, who were on the open boat, told of their thrilling experience during the 15 days at sea, during which time the lifeboat was blown by gales for a distance of almost 500 miles.

The heroic crew, still suffering from their two weeks' exposure to the elements, but in good spirits, are speeding on the rescue tug Sealion back to the vessel they left on Aug. 18 in an effort to bring aid to her. During the two weeks the boat was at the mercy of the wind, the tides and currents of the Pacific, they sighted but one vessel, and it passed them by unseen despite frantic signaling. The men burned kerosene, waste and papers in an effort to attract attention.

### Celebration Today.

Washington, Sept. 6.—The 145th anniversary of the birth of the Marquis de LaFayette and the seventh anniversary of the battle of the Marne were celebrated here today.

### Cruise Ended Today.

Washington, Sept. 6.—President Harding and a party of guests who have been cruising in the Potomac river during the week-end, landed in Washington from the yacht, Mayflower, at 11:20 o'clock today.

## Succeeds Cardinal Gibbons As Archbishop Of Baltimore

Archbishop of Baltimore, Sept. 6, 1921.

Rev. Michael Joseph Curley, Bishop of St. Augustine, who has been appointed Archbishop of Baltimore, succeeding the late Cardinal Gibbons. He was born in Arlone, Ireland, in 1879, ordained a priest in 1904 and sent a missionary to Florida, where after ten years of service, he was named Bishop of St. Augustine by Pope Pius X, on April 2, 1914.

### TO INVESTIGATE

COMPANY AFFAIRS

Meeting of Creditors of Allen Motor Car Company.

Cleveland, Sept. 6.—A committee of five men was elected this afternoon at a meeting of the controlling creditors of the Allen Motor Car company, of Columbus and Bucyrus, which is now operating under receivership, to thoroughly investigate the liabilities assets and possibilities of future business and to make recommendations as to whether the receivership should be lifted and continue operation under an incorporation of creditors, or whether an immediate order of sale should be asked disposing of all property at a possible depreciation of ninety cents on the dollar.

This committee will work with the creditors' committee of three and will report in Columbus, where the Allen plant is located, September 27. The members of the committee are: C. E. Wade, Jefferson Drop Forge company and Hugo Sherer, Detroit; A. H. Dittmer, Orman Gear company, Lockport, New York; E. R. Pillars, Postoria Screw company, Postoria, and W. C. Holt, Sidney Manufacturing company, Sidney, Ohio.

The indebtedness of the Allen Motor company is approximately \$2,000,000, according to the report submitted by H. C. Runyon, manager of the company under the receivership.

Janette, the six-year-old daughter of Mrs. Wilbur Evans, of east Center street, dislocated her right elbow Saturday evening when she fell while playing on the back steps at her home.

### Repairs on the furnace at the Y. M. C. A. building will be completed within the next few days, after which the pool will be filled, it was announced this morning.

## First on the Appetite List

ONCE the crispness and charm of Grape-Nuts have been tested by the family, there's one item that stands prominently out in the marketing list thereafter.

That's Grape-Nuts.

The twenty hours of continuous baking have produced, from the natural richness of wheat and malted barley, a food that is uniquely sweet with sugar developed from the grains themselves, and whose crispness and flavor make a delightful appeal to every member of the family.

And Grape-Nuts is soundly nourishing—a great builder of health and strength.

Served with cream or milk, as a cereal for breakfast or lunch, or made into a pudding for dinner.

See that your marketing list includes this delicious, economical food, today. All grocers.

**MISS MARY K. BELL**  
**WEDS JOHN M. HIGH**

**Pretty Church Wedding at 9:30 A. M. Today.**

Gowned in a pretty frock of white tulle, about which clung a tulle veil taught to the hair with orange blossoms and silver ribbon, and carrying on her arm a bouquet of Cypella roses and larkspur, Miss Mary Kathryn Bell made a very charming picture this morning at her wedding, which took place at the First Presbyterian church at 9:30 o'clock.

Miss Bell was married to Mr. John Michael High, of Bucyrus, but formerly of this city, in the presence of about 100 of their relatives and friends. As the bride and groom entered the church with their attendants, Miss Emma High, of New Washington, a sister of the groom, as maid of honor, and Mr. Robert E. Torrence, of Toledo, a classmate of the groom at Capitol university, as best man, Mrs. Harry T. Williams at the organ and Mr. Charles D. Colmer, as violinist, played Lohengrin's wedding march. Dr. L. L. Brock, pastor of the church, performed the impressive ring ceremony, assisted by a cousin of the bride, Rev. George G. Horn, of Freehold, New Jersey. The ceremony took place before the altar, backed with golden rods and snowberries, against a background of palms and ferns. Miss High wore a becoming dress of rose and blue, changeable tulle and a corsage of pink roses and snapdragons.

The bridal party left the church to the strains of Mendelssohn's wedding march and then drove immediately to the Templeton coffee shop, where breakfast was served for thirty-two, including mostly out-of-town guests. Twelve were seated at the bridal table, which was decorated with fall bloom, carrying out the same color scheme of yellow and white, as used at the church.

At noon Mr. and Mrs. High left on a motor trip to Madison, Wisconsin to visit the groom's brother, Mr. Carl F. High. They expect to be gone about two weeks and will return by way of the lakes.

The guests from out of the city were the groom's parents, Mr. and Mrs. J. J. High, Miss Emma High, Mr. and Mrs. A. G. Eckstein, Messrs. George Schwenley, Ernst Stiefert, George Schwan and Ferdinand High, all of New Washington; Mr. Russell Sullivan, of Bucyrus; Mr. Robert E. Torrence, of Toledo; Mr. and Mrs. R. M. Horn and daughter, Dorothy, and Miss Pauline Cellar, of Prospect; Mr. A. M. Chapin, of Amesville; Mrs. Martha Douglas, of Forest; Rev. and Mrs. George G. Horn, of Freehold, New Jersey; Mrs. D. J. Field, of Lansing, Michigan; Miss Martha Cellar, of Mankato, Minnesota; Miss Jeanne Castner, of Iron-ton; Miss Margaret Mac Fate, of Pittsburgh; Miss Lelia Weaver, of Plain City; and Miss Lucile Cummings, of Rockford, Illinois.

The bride has always made her home with her grandmother, Mrs. E. A. Cellar, and her aunts, Misses Sylvia and Belle Cellar, who reside at No. 189 West Center street. She is a graduate of the Harding High school, class of 1914, and attended Wooster college two years, having during that time been in the glee club quartet at the school and one of its soloists. Mrs. High possesses a beautiful soprano voice. The past year she taught the sixth grade at the Pearl street school building. Mrs. High has a pleasing personality and is an accomplished musician. She sings in the Presbyterian choir and her husband also sang in the choir while he resided here.

Mr. High has attended Capitol academy and university in Columbus and for a time made his home here. He is now with the Ohio State Life Insurance company and has his headquarters in Bucyrus, where he and his bride will reside.

A meeting of Pomona grange will be held Saturday evening at 7 o'clock in the Knights of Pythias hall in LaRue instead of an all-day meeting as previously arranged.

**DID MORE THAN I EXPECTED OF IT**

Akron Citizen Says He Now Knows What Good Health Is Since Taking Tanlac.

"I never felt better in my life even when I was a boy than I do now, and I give full credit to Tanlac for putting me in such great shape," said Charles H. Amman, 327 Union Place, Akron, Ohio.

"I know what good health means now," he went on, "for I have been troubled in one way and another for four years. My stomach gave me all sorts of trouble and I had to be particular about everything I ate. Why, at supper if I ventured beyond my limited diet I would be in misery sometimes all night long. My nerves were all on edge, and many times while out on the streets I would turn dizzy all of a sudden and reel and stagger every step I took until I could catch hold of something."

"I never struck anything that fit my case until I got hold of Tanlac, and the way it straightened me out was more than I expected. I feel like I've been made all over again through and through. My appetite is fine and my stomach trouble is a thing of the past. I am now sixty-seven years old but don't believe there is any man of my age who can boast of better health. Tanlac is a great medicine—there is no doubt in the world about that."

Tanlac is sold in Marion by The Dumble Pharmacy, and by leading druggists everywhere.—Adv.

## CHURCH SOCIETY

Marion Baptist Association.  
Prayer meeting at Trinity Baptist  
church will be held on Tuesday  
evening at 7:30 o'clock this week  
instead of Wednesday evening as  
usual on account of the Marion  
Baptist association meetings being  
held at Emanuel Baptist church.

Naamene Pioneers.  
Plans were made for an evangel-  
istic campaign at the monthly board  
meeting of the Nazarene church,  
Monday night. The revival will be-  
gin about the latter part of Novem-  
ber. All reports given at the meet-  
ing showed progress in the church.  
A number of repairs were also made.

Leave for Conference.  
Rev. J. C. Gerlach, pastor of the  
Prospect Street M. E. church, and  
Rev. C. W. Helwig, circuit pastor,  
left Sunday evening for Santa Claus,  
Indiana, where they will attend the  
yearly conference.

King's Heralds.  
The King's Heralds, of the Pros-  
pect M. E. church, met Sunday after-  
noon at the church with a good at-  
tendance. The regular business  
was transacted.

Opening of the Marion County  
Normal school, scheduled for Mon-  
day, has been postponed until next  
Monday because of the delay in  
opening the city schools.

## Each Day Sees Increased Interest and still Greater Enthusiasm Over This Wonderful Sale of Beautiful New Fall Suits

Values Such as These Have Not  
Been Offered by Any Store  
In a Long Time

**\$38**

Beautiful Materials  
Gorgeously Silk Lined  
Many are fur trimmed

**\$50**

Everyone is pleased  
Everyone is wondering  
Everyone is talking

Everyone who has seen them, and many shoppers have come  
many miles, have pronounced them the best values they have  
found for a long time. Women from far and near have already  
come to take advantage of this wonderful event. They say with  
delight that they have saved much more than their expenses  
of coming.

Another important feature about this Suit Sale is the fact that  
the suits are not ordinary "Sale Suits"—they have none of that  
cheap appearance which is so often found in ordinary suit sales.  
Every garment is one that will bring delight to all who see them  
and long time satisfaction to all who wear them.

## The Suits at \$38

One glance at these beautiful suits  
will convince even the most skep-  
tical shopper that they're every-  
thing we claim for them—suits  
that can not be equalled at this  
low price.

There are smart Wool Duvels,  
Veldynes, Gerona Cloth, Alonzo  
creations, Goldtone, etc. All are  
beautifully silk lined.

Many of these garments are fur  
trimmed, others have collars of  
the material, made in styles that  
button up high around the neck,  
in the latest Fall fashion.

## The Suits at \$50

Here are Suits that any woman  
may be proud to wear—the sea-  
son's newest and most popular  
materials, the leading shades and  
the prettiest styles created by New  
York's foremost suit designer.

Soft Mousseyn, Mousseyn, Pan-  
velaine, Duvet de Laine, hand-  
some Tricotine and many other  
Fall fabrics will be found in this  
lot.

Many of them are beautifully  
trimmed with beaver, wolf, squir-  
rel, mole and other charming  
furs.

## Our Down-Stairs Store Offers You an Exceptional Group of New Fall Suits at \$25

We were very fortunate in securing this wonderful big lot of smart, new  
Fall Suits to offer at this extremely low price in our busy Down Stairs  
Store.  
The materials, styles, trimmings—everything about them, are the latest  
creations.  
You must expect to act promptly on these, unless you care to risk dis-  
appointment.

## Dollar Sale of Hats

In order to clean up present stocks  
of early Fall Hats that were pur-  
chased with the store, and also to  
make room for new stocks that are  
coming in, we are offering this collec-  
tion of hats at one dollar.

## 54 New Fall Hats

All are new creations for this season  
—mostly felt sport hats in the popular  
shades and shapes. Regular \$3.95 and  
\$5.00 values—some that are slightly  
soiled were even higher priced.

**\$1.00**

## A Special Lot of Millinery to Sell at \$2.00

About 20 new Sport Hats—satins, taffetas and velvets, in the  
new sport shapes and colors. These are exceptional values—hats  
worth three and four times this much.

WE SELL HAT FRAMES.

## THIS MAN'S NERVOUSNESS AND STOMACH ILLS BANISHED

W. H. Howd Reports Rich Blessings  
Conferred by Nerv-Worth.  
"I was unable to get a good  
night's rest on account of my ner-  
vous condition," said Mr. Howd, who  
resides at 1217 Mason St., Flint,  
Mich., "and I have found Nerv-  
Worth very beneficial. I have taken  
3 bottles and I am greatly im-  
proved. I also recommended Nerv-  
Worth to a neighbor, who was in-  
bed with nervous headache. She  
had taken only part of a bottle, and  
yet is able to be up and around the  
house. I for one can cheerfully  
recommend Nerv-Worth to those who  
are afflicted with nervous troubles."  
In this case Nerv-Worth went

straight to the source of the trouble  
and results were speedy, and this is  
the custom with Nerv-Worth.  
Quick results and entire satisfaction  
have made Nerv-Worth famous. If  
you suffer from nervous afflictions or  
their attending ills, such as stom-  
ach trouble, or run-down condition,  
give Nerv-Worth a trial. Schmidt  
& Co. Drug Store sells and recom-  
mends Nerv-Worth in this city, and  
it is kept in stock by all leading  
druggists everywhere, all of whom  
are authorized to refund your  
money if you are not pleased after  
you have taken your first bottle.  
Nerv-Worth is now \$1.00 per bottle.

Apples are ripe and grapes are  
ripe, and there are wagon loads of  
them going to town all of the time  
and the water is warm enough to go  
swimming in yet and if school was  
not going to open a week from next  
Monday a fella could have a lot of  
fun. I might be sick or something  
so I would not have to go, but I  
feel healthy now. I do not have  
much luck. Our rambos taste so  
much like the stink factory now that  
I do not think we need to leave them  
hid under the stink factory any longer.  
I bet we could leave them  
out in the vacant lot and no one  
would swipe them.When we had took our cows out  
and had come back to the lot and  
were choosing up sides for a game  
of ball and I had won out as fair as  
anything but Butch was hammering  
on the top of the bat with a brick  
to see if I could keep my hand  
there, and I was busy watching him  
so I did not see who was coming  
someone told me hello, and there  
was Youniss and Maggie. Maggie  
is the nut which got fascinated on  
her leg so it would not show, and  
then Youniss wanted to know what  
the board on the top of the post  
was for and I told her, and then  
she and Maggie asked to ride on it,  
and I said all right I would let  
Maggie ride first, and I guess Mag-  
gie thought I was stuck in her or  
something, and Youniss must of  
thought I was too, because girls are  
not so very brave.Maggie got straddle of it instead  
of laying down on it and we told  
her to hang on and began to run  
around with it, except Butch be-  
cause Maggie is his sister and he  
kept running around trying to keep  
behind Maggie so he could catch her  
when she flew off, and Maggie went  
around about three times as fast as  
he did, but he happened to be  
there when she did anyhow, and he  
was running as fast as he couldHe happened to be there when she  
did anyhow.Youniss skunk out because she was  
afraid of her mother, and then  
Butch came back.He said he had told her he would  
tell her mother because if he didn't  
she would of told her mother, and  
he beat her to it. A fella who has  
got a sister gets to know the wim-  
min pretty well. I bet Youniss  
knows now why I did not let her  
ride first. I guess our cat has made  
up her mind to not worry any more  
about the kittens I killed because  
she has brung home some more. I  
do not know if they are hers or she  
got them from some other cat. I  
went to bed early and pulled Jubilee  
up, but it is hard to sleep when a  
fella is thinking about school all  
the time.

## BREAK EVEN IN DOUBLE BILL HERE ON MONDAY

Marion Daily Stars Stage a Ninth-Inning Rally Monday.

### LOSE TO FOSTORIA IN THE MORNING GAME

Locals Outbat the Visitors in Morning Fray—Fans Are Given a Busy Day.

[BY F. L. KRANER.]

Under the auspices of the Central Labor union, the Marion Daily Stars broke even on a double bill with Fostoria, Monday, losing in the morning and winning the afternoon contest. In the morning game the Daily Stars repeated their performance of Sunday, by staging a ninth inning rally that fell one short of tying the score, and but for a bit of poor base running the locals would have at least tied the count.

The locals outbatted the visitors in the morning contest by a count of eleven to seven, but lost by a score of eight to seven. The hits of the Fostoria team were more opportune and they were also of a luckier stripe, one ordinary single taking a bad bound and going for three sacks and two runs, while another that would have been a double bounded over the fence and counted for two more.

Geller, who started the mound work for the locals, issued six passes and had five errors back of him, and this helped the visitors to several runs. Hawkins came back after pitching Sunday and held the visitors safe in the last two rounds.

Adams Pitched Well.

Adams pitched well up to the ninth when the local fans started their rooting and put him in the air. After Conroy was out, Lattimore was panned. Jackman batted for Fetter and drew a pass. Hogan hit a Texas leaguer back of first, but Jackman was thrown out at second. O'Donnell cleared the bases with a double to left center. Barford batted for Hawkins and was hit by a pitched ball. Weller singled to center, scoring O'Donnell and sending Barford to third. After Weller stole Lawson beat out an infield hit and the bases were full. Uhl singled to right, scoring Barford and Weller, but Lawson stopped at second and Uhl was nipped off first and caught on the line as a result. Conroy fled out to Strausbaugh in deep left, ending the contest with the locals one run short.

Monday afternoon's game was witnessed by the largest paid crowd that has attended a baseball game since the days of organized ball here, the estimated attendance being 1,800. It seemed like a solid Marion audience and so far as was learned there was only one violation of the rule for the fans not to get personally insulting in their remarks and this offender was ejected from the grounds.

The Daily Stars returned the compliments of the fans by giving them one of the best and most interesting games witnessed this season and by defeating the visitors by a score of three to two made it two games each with the Fostoria team this season.

The game was a pitchers' battle between Bell, a former Toledo Rail Light hurler, and Jackman, the latter pitching the better brand. Jackman allowed but two scattered hits up to the ninth inning when the visitors added two more and with the aid of a pair of errors managed to get two runs over and had runners on first and second, but then he tightened and fanned Bell for the final out of the contest. Jackman struck out eight batters and walked but one and his support, at times was on the sensational order regardless that there were six errors credited to the locals.

Bell pitched a fine game for Fostoria holding the locals to six hits and not giving a pass. He was supported excellently during most of the game, but his own error and several passed balls helped the locals to some extent. The Daily Stars started the scoring in the second when with two out Lattimore singled to center, scoring Adams and Conroy.

## MARION DAILY STARS BEAT FOSTORIA WIFES

Nine to Eight, Before 1,000 Fans Sunday.

### COUNT IS EIGHT TO FOUR IN THE NINTH

Hawkins, of the Industrial League, Twirls Good Ball for the Locals.

[BY F. L. KRANER.]

By one of the greatest finishes ever staged by the Marion Daily Stars, they defeated the Fostoria Wives, of Fostoria, Sunday afternoon, by a score of nine to eight. The crowd of over 1,000 fans reminded one of the days of the Ohio State league in that they seemed to be all rooting for the locals and their faithfulness in this respect had a large part to play in the victory which came in the ninth frame.

When the locals came to bat in the last round the count was eight to four against them. Uhl opened the ninth with an infield hit and after reaching second on a passed ball he scored on Lawson's single to center. Weller drew a pass and after Mayer got in the hole on Conroy, Peck was sent in to relieve Mayer. Conroy drew a pass and the sacks were drunk. Lattimore singled to center and Lawson registered, leaving the baserocks still filled. Fetter fanned and then Geller was sent in to bat for O'Donnell. On a wild pitch Weller raced home. Geller waited out four balls and again the sacks were closed. Hogan bunted and Conroy was safe at the plate when Peck's throw home pulled Shouder away from the rubber. Peck then uncorked another wild pitch and Lattimore came over with the run that ended the contest.

Hawkins, the Southpaw.

Hawkins, a southpaw who has been doing so well in the Industrial league, was on the mound for the locals. He pitched a good game, but was baited hard at times, eleven hits including a homer and four doubles coming when they counted the most. The visitors scored three runs in the second when Mayer hit his homer over the left wall with two on. The locals fielded in brilliant style with Fetter, Lattimore and Lawson the bright lights. LaCroce was the fielding star for the visitors while Mayer's hitting was a feature.

## RINI WINS OVER NESSLER IN MAIN GO OF EAGLES

Cleveland Chap Is Awarded the Judges' Decision

### LARGEST CROWD OF FIGHT FANS OUT FOR MILLING

Jimmie Mars, of Columbus, Gets Decision Over Harry Peppers A Draw.

Johnnie Rini of Cleveland, was given the judges' decision over Frankie Nessler, of Cincinnati, in the twelve round main go at the boxing show staged under the auspices of the Eagle lodge at Lincoln park, Monday night. The crowd was the largest that has attended a fight show in the city and the fans were given their money's worth three times over. Quite a number of visiting fight fans pronounced it a much better card than is generally seen in the large cities.

Rini and Nessler each weighed 130 pounds Monday afternoon and while the Cincinnati fighter had a longer reach and was taller, Rini forced the fighting most of the way and displayed some excellent footwork. Rini hit hard from start to finish and made his blows count, administering a body beating to Nessler that few fighters in his class would have been able to stand. Nessler's blows during the early part of the fight lacked steam, he managing to land but a couple that were hard enough to make marks.

Rini Up to Tenth.

Rini had a large shade in the battle up to the tenth round when Nessler came up strong and finished with a good shade the better of Rini, there being more steam behind his blows. Nessler started the eleventh round in the same manner, but before it was half over Rini came back and gave Nessler a hard beating on the face and body and had Nessler a little groggy, but Rini appeared too tired to land the punch to finish Nessler. In the final round Nessler showed strong and had a shade the better of Rini.

The six-round preliminary between Harry Peppers, of Cleveland, and Jimmie Mars, of Columbus, was a whirlwind affair. Peppers had two pounds advantage in weight, but Mars demonstrated more experience and made Peppers come to him most of the time. Mars had a shade on Peppers in four of the rounds and in two the honors were evenly divided, the judges giving Mars the decision on points.

Eight Rounds to Draw.

Earl Butler, of Cincinnati, and Tony Cullato, of Cleveland, fought eight fast rounds to a draw. They each weighed in at 135 pounds and did some hard fighting throughout, but clinched often, both taking advantage of this to avoid punishment.

The first two rounds were a little tame, but the fighters opened up in the third which might have been looked on as Cullato's round had it not been for the fact that he hit low several times in clinches. Butler had a fair margin over his opponent in the fourth round while the sixth went to Cullato by an equally fair margin, and the others being very much even. Both fighters looked fresh at the finish.

Johnnie Getty, of Marion, at 124 pounds, boxed a six-round exhibition with Brookie Chapman, of Columbus, who was ten pounds heavier. The boxers mixed it in great shape and cut loose in the last round. This exhibition was better than some of the preliminaries of some of the previous shows and proved an excellent finish to the fine card.

## TOWNSHIP CANDIDATES MUST SOON GET BUSY

For Flag Falls on Filing Petitions September 9.

Friday, September 9, will be the last day for filing petitions for township officials also village officials and members of the various boards of education and the county board of education. Very little interest has been shown, as few petitions have been filed. So far none has been filed for any office in Marion township and none for the county board of education. Three members will be elected this year for the county board of education. All electors outside of the city of Marion vote for these members.

All petitions for the various district board of education candidates must contain or be signed by twenty-five electors of that school district. The same holds true for all village and township candidates outside of township officials in Marion township. These petitions must be signed by 137 names. The petitions for member of the county board of education must be signed by thirty-three names, residents of the county outside of the city of Marion. Petitions for any of these offices can be obtained any day at the office of the board, or from any board member or by calling the board of elections and the same will be mailed.

## MRS. FRED KEHRWECKER IS GIVEN SURPRISE SUNDAY

In Honor of Her Birthday Anniversary—Picture Taken.

Mrs. Fred Kehrwecker was given a surprise Sunday at the home of her daughter, Mrs. L. L. Forrey, of Congress street, in honor of her birthday. Upon her arrival at the Forrey home after church, she found nearly all her children and grandchildren and a few other relatives assembled there to greet her. A dinner was served, a feature being a birthday cake baked and decorated by another daughter, Mrs. O. J. Haideman. Pictures were taken during the afternoon. Out-of-town guests were Mrs. L. H. Early and Mrs. L. F. Riddle and daughter, Beverly, of Mt. Gilead; Mrs. Mary Wakefield, of Cincinnati; and Mrs. R. V. Overmire and daughters, Gladys and Ethel, of Portora.

## How I Was Wrecking the Lives of My Children

And Suffering Indescribable Tortures Myself Day and Night. A Mother's Terrible Confession.

For some time I had noticed that my two children, a boy of seven and a girl of ten, were becoming highly nervous, irritable and very disobedient—at times even "sassy." I tried various punishments, even whippings, but they kept growing worse. I fought and struggled with the situation. My own nerves were all "on edge"—the least thing put me into a rage. I quarreled—and had most awful "fusses" with my husband over nothing as I now look back on them. I was too weak to work or enjoy life, and too nervous and irritable to go anywhere. I was horribly impatient and ugly if I did not get just what I wanted when I wanted it. I often suffered from severe heart palpitation and indigestion. I could not sleep at night. I had an almost constant dull aching pain in the back of my neck and head, and frequently a very disagreeable sense of fullness in the front part of my head. I often had severe pains across my back, which made me think I had kidney trouble. I also had tender spots along the spine, which convinced me that a fall I had had several years ago had caused a permanent spinal injury which later proved to be only "a case of nerves." I could not begin to describe all the tortures, terrible pains, and great devastating weakness which I endured. Nobody, not even my husband, seemed to appreciate or realize my condition, and very few offered any sympathy, which irritated me all the more.

Finally I went to a doctor and told him my story. What awful children I had, and asked his advice as to what to do with them, and whether or not I should send them to a reform school. After studying my case and talking with me and my children, to my surprise and disgust he told me I was the cause of my children's condition; that it was all my fault. At this I flew into a rage, but after I had quieted down somewhat, he explained to me the terrible condition of my nerve cells. He told me how the system only manufactures so much nerve force, and that this vital fluid of life was stored in the nerve cells, much like electricity is stored in a storage battery, and that I was like an electric automobile after the electricity in the storage battery had nearly all been used up, and the car could therefore, hardly move. He said my own highly nervous condition had been a constant drain on the nerve force of my children, and that the constant nervous strain in which I had subjected them had wrecked

Do your ironing with an electric iron. There is no need to make a big fire in a range on a hot day, just to heat one little sadiron. An electric iron cuts out all that trouble and discomfort. Simply attach the cord to the light socket, turn the switch, and in less than five minutes the iron is ready—but as long as you need it—turn the switch off when you are done and that ends it.

## SYLVAN L. J. DEVENNEY, ERIC CONDUCTOR, DEAD

Dies Shortly After Leaving Doctor's Office at Forest.

WHERE HE HAD GONE FOR TREATMENT SATURDAY

Death Is Caused by Rheumatism—Funeral Will Be Held Here Wednesday.

Sylvan L. J. Devenney, a well-known Erie-freight conductor, who had been in the employ of that company about thirty years, died very suddenly from heart trouble at Forest, Saturday afternoon at 2:55 o'clock. He had been ill from rheumatism and heart trouble since July 12 and Saturday morning went to Forest for treatment. He died just after leaving the physician's office. Mr. Devenney resided at No. 349 Park boulevard. He was about fifty-eight years of age, having been born in York county, Pennsylvania, September 10, 1867, a son of Mr. and Mrs. George Devenney. He came to Ohio in 1888 and began working for the Erie December 1, 1891. For many years he was a conductor and prior to coming to Marion seven years ago, he resided at Gallon. His run was between Marion and Kent. Mr. Devenney was very well known in railroad circles and very well liked. He was a member of the Brotherhood of Railway Trainmen here and of the Eagles lodge at Gallon. February 25, 1892, Mr. Devenney was married to Miss Alice Seerist, of Shauke, Morrow county, who survives him. He was ever kind and considerate to his family and loved his home life. Surviving with the widow two daughters, Mrs. J. C. Parbor, of Newark and Mrs. William Rizer, of Orchard street; the mother, Mrs. Matilda Devenney, and a sister, Mrs. Celesta Kraut, of York county, Pennsylvania; a brother, T. P. Devenney, of Elizabeth, New Jersey, and a grandson, Gaylord Parbor. Mr. Devenney was a member of the English Lutheran church in York county, Pennsylvania, and Rev. C. L. Allenbaugh, of the local church, will conduct the services which will be held Wednesday morning at 10 o'clock from the home. They will be in charge of the Brotherhood of Railway Trainmen. Interment will be made in the Marion cemetery.
